13	Air-to-Ground (Taos IA)	171.425		171.425		For A/G com in Taos Dispatch (Fire)
14	Picuris Repeater	155.895		154.055	100.0	Taos County EMS
15						
16						

Procedure:

1. Initial dispatch frequency will be used for Command (Communication between the IC and Dispatch)
2. Responding resources communicate with Dispatch on the Command frequency until they arrive on scene.
3. IC will designate one or more Tac frequencies for on scene communications (Tac 1, 2, or 3 for wildfire, Tac 4, 5, or 6 for structure fire and EMS incidents)
4. The only person talking from the scene to dispatch should be the IC.

Authorization to use Tac frequencies is provided by:

Taos Ski Valley 154.115 rx/tx
 Eagle Nest 154.205 rx/tx
 Moreno Valley 153.830 rx/tx
